COLLABORATION WITH LE SIBILLE

Maria Kovadi Fine Jewellery invited Le Sibille, a renowned Roman company praised for their intricate craftsmanship using the ancient micromosaic technique, to create something special for two collections unveiled exclusively at Baselworld 2016.

The 'Tell Me' and 'Animali' collections include a number of exclusive pieces created in collaboration with Le Sibille and feature their incredible micromosaic. Done by hand, this lengthy and laborious process highlights the importance and beauty of craftsmanship.

One-of-a-kind pieces created with the Roman mosaic technique, incorporate both innovative and classic elements, which are beautifully handcrafted by specialists using a unique 8th century art form in Maria's modern and playful pieces.
